

Audiologist positions available throughout Australia

Opportunities exist in most capital cities and other beautiful sunny locations

On offer is relocation assistance and outstanding salary packages.

Our clients are well known for their team cultures and the professional support they provide towards their existing Audiologists. Training is provided and you will enjoy an excellent work/lifestyle balance at any of these locations.

The salary packages include substantial base salaries plus travel/car allowances and the highest bonus structure available to Audiologists within Australia.

If you are contemplating a sunny change for the New Year or just have some initial questions, please contact Chris George for a strictly confidential discussion on +613 8637 6500 or email an expression of interest to cgeorge@cmgc.com.au.

Alternatively if you reside in Australia currently, you may reach Chris on 1300 078 478
