

CLINICIAN OPPORTUNITY - Auckland

Who are we?

Established in 1960 by a group of Ear, Nose and Throat (ENT) specialists, Dilworth Hearing are part of the Amplifon group – the global leader in hearing healthcare, spanning across 29 countries.

With 20+ clinics across New Zealand, we pride ourselves on our quality of professional services to achieve the best hearing outcomes for our patients.

Our clinicians are trusted by the medical community and we continue to foster relationships with ENTs and GPs, as well as providing education to the wider community.

About the role:

We have opportunity for MNZAS or Provisional Audiologist to join us working in Auckland. The role includes undertaking your own clinical case load working with both adults and paediatrics (where applicable) and ensuring exceptional patient satisfaction. As we are not owned by any one hearing aid manufacturer, you will be able recommend the best solution for our patients, ensuring the best level of patient care.

What we offer:

When you join Dilworth Hearing, you will be provided with everything required for making a difference in the lives of our patients, including:

- A modern practice with the latest technology.
- A market-competitive salary and benefits
- A caring culture where you feel supported in your ongoing development to further your career.
- Ongoing training opportunities to keep you up with the latest in technology
- Working alongside a wealth of clinical expertise, engaged and passionate colleagues;
- Ability to collaborate with your peers as Amplifon NZ employ the largest group of NZAS Members

If you enjoy working in a caring clinical environment, can think on your feet, are an excellent multi-tasker, and most importantly, want to make a difference in the lives of your patients, this could be the opportunity for you!
