

Join the Bay Audiology family

Amplifon is the global leader in hearing health care. We operate in 28 countries and in New Zealand trading under two well-known brands - Bay Audiology and Dilworth, we operate in over 140 locations.

We have opportunities across New Zealand for MNZAS Audiologists, Provisional Audiologists, Audiometrists or soon to be Graduates.

When you become part of the Bay Audiology family you will be part of the largest clinical network in New Zealand.

Many members of our leadership team and area management teams are former practicing audiologists, so we can provide a dedicated training team and the development support to enable you to flourish in your audiology career.

What can we offer?

- Local and global career development opportunities.
- Flexible work options.
- Competitive salaries and individual and team incentive schemes – the more you grow the business the more you benefit!
- Relocation support if required.
- An annual development and recognition conference.
- Discounted health insurance and other benefits.

If you are ready for a new challenge with a market leader, then apply online with your CV and covering letter today.
