Who is Audika

Audika is part of Demant, a world-leading hearing healthcare group that offers solutions and services to help people with hearing loss connect and communicate with the world around them. Worldwide the group employs more than 17,500 staff in more than 30 countries and distributes hearing healthcare and intelligent audio solutions to people in more than 130 countries.

In New Zealand, Audika has over 20 clinics who provide hearing services to our valued clients. We strive to put hearing care on the health care agenda and to improve the quality of life of people living with hearing loss.
