

Independent audiology practice - Dunedin based

Audiology South is a locally owned, independent, and forward thinking audiology practice focused on being the provider of choice for audiology services in Otago and Southland. We're looking for an audiologist to join our growing business in the South. This position is based in Dunedin.

Our offer:

- An attractive salary package (including relocation assistance)
- Clinical freedom to choose the best solution for your clients
- The chance to work alongside experienced audiologists
- A strong emphasis on professional development
- A fun and supportive team culture
- Local, audiologist owners with a triple bottom line approach (sound business practice with a social & environmental conscience)

If you...

- Are a full NZAS Audiologist member (or close to completing your CCC)
- Have a passion for helping people improve their lives
- Are a self-starter and highly motivated
- Are keen to progress your audiology career

Then we'd like to hear from you!

Note this position has some flexibility and we are happy to discuss options between 0.6 and 1.0 FTE.
