

# Join us as a Employed Locum Audiologist across New Zealand

We are currently on the lookout for enthusiastic and friendly Audiology Professional to take on the exciting new opportunity to join our team as a mobile Audiologist across New Zealand.

Whether you have recently relocated to New Zealand and are looking to find your permanent home, or whether you are simply someone who loves to travel and meet new people, this is a great opportunity to explore the country and enjoy all that New Zealand has to offer.

## **As a Specsavers Mobile Audiologist, you will:**

- Have formal qualifications in Clinical Audiology.
- Hold or be eligible to hold a Certificate of Clinical Competence number as a full member of NZAS.
- Two years clinical experience post obtaining Certificate of Clinical Competence.
- Have flexibility to work across both the North Island and South Island as required.
- A high level of interpersonal skills and communication skills with the ability to build strategic working relationships.
- Ability to lead and work collaboratively to achieve desired business outcomes.
- Hold a current New Zealand driver's license.
- And finally, you must want to challenge and help shape the industry for the better, with a formula based on clinical excellence, open and transparent pricing, and excellent products at value-for-money pricing.

## **The position will offer you:**

- A comprehensive Specsavers Audiology induction.
- Ongoing support and career development opportunities.
- Generous salary package and incentives.
- Travel expenses and allowances.
