

TRITON HEARING

Who we are

Part of the Sonova Group, a world-leading hearing healthcare company, Triton Hearing has established itself as a key player in the market. We have a nationwide presence, with 244 employees and 63 locations across the country.

Triton Hearing uses cutting edge technology, offering greater flexibility in how we deliver hearing care in an ever-changing world. We are led by a passion for delivering excellent client care, offering a great balance between client outcomes and client service.

Why Triton?

- Flexible working hours
- Competitive salaries
- Generous Incentive Schemes
- Administration support
- Supportive team culture
- Relocation packages available
- Triton PERKS

Whatever your passion is, we have ongoing learning and development opportunities to grow your career.

Please see below for an opportunity near you. We can also assist in creating a bespoke relocation package, should you wish to join one of our fantastic rural teams.
