## Audiology re-imagined!

### Clinical Audiologist Positions Taupo, New Plymouth, Wanaka

Ready for a rewarding and exciting work adventure? Join our team of passionate audiologists and practice audiology your way, and with a true patient-first focus. You'll work directly with our clinic owners, developing skills and building knowledge to one day join as a shareholder or run your own practice.

Our network of clinics foster patient-centred care that focuses on building lasting connections with our clients. You'll be a wonderful asset to our team if you enjoy cultivating close relationships with clients and bring positive, engaging energy to your appointments.

Our team is dedicated to maintaining a happy work-life balance, so you will be rewarded for the hard work and care you provide your clients. To support your wellness and happiness, we offer one of the most competitive salaries in New Zealand, relocation assistance, and local gym memberships, among other benefits!

You'll find a life full of adventure and will be supported by our team of talented audiologists. Please email your resume to [lisa@keenaudiology.nz](mailto:lisa@keenaudiology.nz) to be considered for an informational interview.
