

Join us as an Audiology Partner Gisborne, NZ

We believe that professional hearing care should be led by the experts, not sales targets - that's why when you become a Joint Venture Partner with Specsavers you are empowered to make clinical decisions that are in the best interests of your customers.

Specsavers Gisborne is an established audiology business, that commenced operation in 2022.

Why join Specsavers as an Audiology Joint Venture Partner?

- Reap the rewards of your hard work, without compromising on customer care.
- No sales targets or product related KPIs.
- A comprehensive 2.5-week Specsavers clinical standards and business management induction program.
- Full business and administrative support from Specsavers support office, including payroll, accounts payable, marketing, IT and supply chain plus ongoing business and clinical guidance.
- Guaranteed salary of \$120,000 plus kiwi saver (paid fortnightly), plus annual profit (paid quarterly once the business is making profit) and the future value of your shares in the business you develop and build (paid when you retire from the business).
- Generous relocation package if required.
- 5 weeks annual leave + birthday leave.
- Two free pairs of glasses per year.

Specsavers have successfully achieved the 'Great Place to Work' accreditation. We strive for the highest professional and clinical standards and provide unrivalled support, development, and career plans.
