

Te Whatu Ora - Waitematā

Audiologist

- **Full time, permanent role**
- **Working across the Waitematā district**

Te Whatu Ora Waitematā serves the largest population in New Zealand providing services to more than 650,000 people and employing more than 10,000 staff. We have a diverse population with complex, interesting and challenging presentations.

Located in a world class harbour city, Waitematā operates over two sites, North Shore Hospital on the shores of Takapuna's Lake Pupuke and Waitākere Hospital, within sight of West Auckland's green belt and with access to a host of water sports, mountain biking and vineyard lunches right on your doorstep.

You will work closely with our Senior Medical Officers, providing them with hearing assessments for patients and have the benefit of working in otorhinolaryngology subspecialties, for example rhinology and otology. There is an exciting potential to for you to be trained in Paediatric certification (Visual Reinforcement Audiometry, under 3-year-old habilitation, and Auditory Brainstem Response test/ Cortical testing) and be part of the development of this service.

If you can work both independently and in a team, are self-motivated with a high degree of skill and planning, and have a good command of both written and spoken English, we want to hear from you.

Bring your experience and enthusiasm to this newly created role and be part of the team building a health system that will support New Zealanders to live better and longer.

Requirements:

Master's degree in Audiology, or have an equivalent qualification recognised by the New Zealand Audiological Society

Accredited Assessor for Enable funding

At least one year of experience working as an audiologist

Current valid full New Zealand drivers' licence

Knowledge and understanding of Te Tiriti o Waitangi

Annual Practicing Certificate

Ideally you will have:

New Zealand Audiological Society

Clinical Competency Certificate

Experience with adult hearing aid fittings and hearing assessments
