Overseas-trained Audiologist

Thank you for applying for provisional membership of the NZAS as an overseas applicant.

This application comes in two parts. For further information to assist your completion of this application, please refer to the Provisional Member Application Handbook.

Part One: This part can be submitted before you have an employer and supervisor in New Zealand. It would be our recommendation that everybody applies for Part One before arriving in New Zealand to ensure that their degree is recognised as equivalent to the New Zealand Master of Audiology degree.

Please ensure you complete all sections in full to enable us to promptly process your application. Failure to complete all information may result in delays of the processing of this application.

Part Two: This part can be submitted after you have an employer and supervisor in New Zealand.

It is possible to submit both Part One and Part Two at the same time. A maximum of one year may elapse between submission of Part One and Part Two.
