Located on the shores of Lake Dunstan, Cromwell is a town in Central Otago, famous for stone fruit, gold mining and tranquil lakeside scenery.

We are seeking an MNZAS Audiologist to join our Bay family based in Cromwell, also covering Alexander and from time to time, our Queenstown clinic.

Bay Audiology has been helping Kiwis hear better for 30 years and has been voted by New Zealanders as the most Trusted Brand in Hearing Services for 2020. Bay Audiology is also part of the Amplifon group, the global leader in the hearing industry, setting the standard for our industry, providing the best equipment, innovative products, services, and processes in a modern and digital workplace.

When you join us, you will be part of the largest clinical network in NZ, who are passionate about helping clients to improve their hearing and supporting each other whilst doing so.

We provide a dedicated clinical training team to support you from the moment you join us, alongside continual professional development opportunities to grow your career, including mentoring and leadership programmes.

If you are an MNZAS Audiologist with legal entitlement to live and work in New Zealand, chat to us today about the support we provide, not just to get to you Cromwell, if not already based there, but ongoing.
