NEW PLYMOUTH – Where mountain meets sea

Are you an MNZAS or Provisional Audiologist / Audiometrist – looking for a change of scenery? Have you ever considered the wonderful Taranaki region? Whether it's spending the day on the iconic mountain or walking the rugged black sand beaches, this location that has plenty to explore.

When you join Bay Audiology, you will be part of New Zealand's largest clinical network. We provide you with a dedicated clinical training team, tailored professional development, and a knowledgeable leadership team who are trained Audiologists. As part of the Amplifon group, we can offer future leadership and international career pathway opportunities, alongside state-of-the-art technology and systems.

We are seeking expressions of interest from clinicians who;

- Care deeply about helping their clients reach the best outcome
- Work as one team with fellow clinic members
- Practice strong clinical standards every day
- Have full or provisional NZAS membership
- Have current and valid work rights for within NZ

Voted as New Zealand's most Trusted Brand in Hearing Services for 2020, is it time you made the move?
