

Fabulous opportunity to join an independent audiology clinic in beautiful Kapiti with excellent remuneration and benefits.

We are looking for a qualified audiologist to join our client's wonderful team, with two clinics.

What you will need:

- To be a qualified audiologist with a two-year Masters in Audiology, preferably with some experience in a private audiology and hearing aid clinic;
- Your Certificate of Clinical Competence (if no ccc then we will help you through the process and give you supportive supervision);
- To be able to work well as part of a cheerful team who will support you both clinically and administratively;
- To enjoy relating to patients and establishing long-term caring relationships with them;
- Your energy, enthusiasm and commitment to helping this business service its established and growing client base.

What is on offer:

- As an independent clinic, our client has the ability to prescribe whatever products are needed. They pride themselves on finding the best solutions for their clients, regardless of the brand of product. They don't believe in commission-based sales; they believe in providing the best service and the best solution for their clients.
- Part or full time work to suit your life and work balance
- A competitive salary
- A company car
- Assistance with relocation
- An amazing Kapiti Coast location (and expressway to nearby Wellington for weekend jaunts!)

We would absolutely love to hear from you – please email your cv to julia@starpeople.nz or call 04 2934833 for more information.
