

Looking for something different in 2021?

Would you like to work for a strong and independent New Zealand Audiology practice that values and supports your professional growth?

Audiology South is a locally owned, forward thinking, and innovative private Audiology practice focused on being the provider of choice for Audiology services in Otago and Southland. We're looking for an Audiologist to join our growing business in the South. The position is based in Dunedin with some support to our Oamaru clinic.

Our offer:

- A competitive salary package (including relocation assistance)
- Clinical freedom to choose the best solution for your clients
- The chance to work alongside experienced Audiologists
- A strong emphasis on professional development (annual NZAS conference attendance with the option to exchange for an overseas conference every three years)
- A fun and friendly team to work with
- Local, Audiologist owners with a triple bottom line approach (sound business practice with a social & environmental conscience)

Living and working in the South brings many benefits...

- A balanced and relaxed lifestyle
- Affordable and family friendly living
- Excellent educational options for children
- A beautiful natural environment with easy access to outdoor pursuits

If you...

- Are a full NZAS Audiologist member (or close to completing your CCC)
- Have a passion for helping people improve their lives
- Are a self-starter and highly motivated
- Are keen to progress your Audiology career

Then we'd like to hear from you!

AUDIOLOGY SOUTH
Hearing Health Professionals

Note this position has some flexibility and we are happy to discuss options between 0.6 and 1.0 FTE.

Please email your letter of interest and a recent CV to anthony@audiologysouth.co.nz or if you would like to chat in the first instance just give Anthony Rowcroft a call on 021 344 006.

All enquiries and applications treated in strict confidence.
