

Rewarding Career, Fantastic Location!

YOU BELONG HERE...

Audiologist

- **Bay of Plenty**
- **Looking for work-life balance?**
- **Looking to live close to beautiful beaches, rivers and native bush?**
- **Looking for a supportive work environment as part of a Bay-wide team who are passionate about the provision of high-quality audiology services?**

We have an exciting opportunity for an Audiologist to join our team in one of New Zealand's top locations: Whakatane and Tauranga. The Bay of Plenty DHB Audiology service is expanding, with a focus on developing services in the Eastern Bay of Plenty region. Our service is currently based at Tauranga Hospital and a Whakatane-based clinic. The role will be mostly based in the Eastern Bay of Plenty (with travel between sites expected) and is an exciting opportunity to be a part of our team who are committed to developing our service.

We are looking for a dedicated and passionate Audiologist with a commitment to high-quality audiological care to become part of this development. You will be joining a dynamic and innovative team that puts the patient and their family/whānau at the centre of everything it does. We have a strong values-based culture where continued professional development is supported. We are looking for an Audiologist who has excellent interpersonal skills, is able to work independently, has a willingness to learn, and has the ability to work flexibly in a busy team environment, whilst maintaining high standards of care.

As part of the Audiology team, you will mostly working with children to provide expert diagnostic assessment and rehabilitation services. The service's current focus is on quality paediatric services including electrophysiological assessments, paediatric diagnostics and habilitation (including Bone Anchored/Conduction Hearing Aids), and diagnostic assessments for ENT clinics. Our service has close working relationships with Ear Nose and Throat, Paediatrics, Advisor on Deaf Children services, and Newborn Hearing Screening services.

Applicants must have a minimum of a Masters degree in Audiology. Full Membership (Audiologist member) of the New Zealand Audiological Society (NZAS), with Paediatric Certification/s is preferred.

The Bay of Plenty is renowned for its favourable climate, beautiful beaches, native bush reserves, outdoor pursuits - surfing, kayaking, boating, fishing, and tramping. Both locations are around an hour away from Rotorua, with easy access to Auckland and Hamilton, and, in winter, under 3 hours to the Central Plateau ski fields.

If you think you would like to be a part of our team and enjoy the unique lifestyle opportunities that the Bay of Plenty has to offer, we look forward to hearing from you.

For any further information about the position please contact:

Robin Matthews, Team Lead: Audiology - NBHS - Dietetics - Speech and Language Therapy. robin.matthews@bopdhb.govt.nz or 027 216 0474.

We value work-life balance and staff wellbeing with a full staff wellness programme on offer. We are family friendly so part-time hours as well as flexible work patterns can be considered for the right candidate.

Our values of Compassion, All-one-team, Responsive and Excellence are at the centre of everything we do. We use values-based recruitment to help us recruit people who share our values, as we know this makes a positive difference to job satisfaction and the experience of our patients and their families/whānau.

All applications are to be made [online](https://www.bopdhb.govt.nz) or email your application through to careers@bopdhb.govt.nz

The BOPDHB are committed to improving Māori health outcomes and achieving health equity for Māori through Te Tiriti o Waitangi obligations. It is essential you demonstrate an awareness of Māori indigenous rights and current issues in relation to health and health equity.
