

- Permanent, full-time (1.0 FTE)
- 80 hours per fortnight

Nga mohiohio e pa ana ki tenei mahi (About this position)

The Audiology Department at Health NZ Nelson Marlborough provides a district-wide service and is seeking applications from Audiologists for a permanent, full-time position.

The hours of work will be 80 hours per fortnight Monday to Friday.

You will work in a small and highly motivated multidisciplinary team providing diagnostic and rehabilitation services to the population who qualify for our services. You will also support the Newborn Hearing Screening and Ear Nose and Throat (ENT) specialist services.

You will assist with the smooth day-to-day operation of the Audiology department by providing efficient, effective, holistic and safe diagnostic assessment and rehabilitation of the hearing-impaired population of all ages.

Although it would be preferable that this position be based in Nelson, regular travel between Blenheim and Nelson will be required.

The salary range for this position is \$82,045 through to \$100,466, based on the PSA Allied Public Health and Technical MECA, dependent on skills, experience, and registration in NZ.

Ko wai he kaitono totika? (Who is an appropriate applicant?)

You will hold a relevant qualification in Audiology that is recognised and approved by the New Zealand Audiological Society (NZAS). You will hold a current certificate of clinical competency, or be eligible for full membership, from the New Zealand Audiology Society (NZAS). Experience particularly in paediatrics is preferred, but we encourage any interested Audiologist to apply, as we would be happy to support the right candidate in gaining the required clinical skills.

The successful candidate must be eligible to work in New Zealand or hold a valid NZ visa at the time of applying.

A matou ropu (About our team)

Health NZ Nelson Marlborough is the main health provider for the Te Tau Ihu, the top of the south. With nearly 3,000 employees, we are Nelson's and Marlborough's largest employer supporting the health and wellbeing of over 150,000 citizens across the region.

Our main locations are Nelson and Wairau Hospitals, and the Richmond and Marlborough Health Hubs, but we are spread across the region and service all parts of the community. Our work can be challenging, but we are up for it. We have a great team and we work hard to make a difference.

We value integrity, innovation, respect and teamwork.

Nga huanga o tenei mahi (The benefits of this position)

We are a friendly, innovative and supportive team. We provide a great workplace for Audiologists who appreciate flexibility, job security, and opportunities for professional development and workplace wellness programmes.

The Nelson Marlborough region offers a highly desirable living environment with numerous outdoor recreational activities close at hand. Where else in the world will you find three spectacular national parks, glistening golden sand beaches and turquoise crystal-clear waters, alongside alpine lakes and snowy mountain ranges; all within close proximity?

So, if you want to benefit from an exceptional lifestyle and enjoy working as part of a friendly and supportive team, we look forward to receiving your application!
