

Do you have a passion for Training and Development?

We have a fantastic opportunity for you to join the Amplifon Training Team. Field trainers play a key role in our businesses, Bay Audiology and Dilworth hearing, continuously supporting the development of clinicians in the field with the mission of strengthening their capabilities, to secure the best client experience and audiological services. This is an exciting opportunity for a vibrant and enthusiastic MNZAS Audiologist or Audiometrist who is driven and keen to share their wealth of experience. You will join a large training team who are based throughout NZ, delivering training both in-clinic and remotely.

The Role

- ◆ Deliver coaching programmes which enable clinicians to unleash their talent to create the best client experience and achieve business results
- ◆ Co-deliver onboarding programmes for new employees
- ◆ Train through a variety of methodologies including e-Learning, online and face to face sessions
- ◆ Co-design and collaborate with the Global Training team

What we can offer you

- ◆ Competitive salary and bonus scheme
- ◆ Flexible working arrangements
- ◆ Parental benefits
- ◆ Birthday leave
- ◆ Training via local and global training programmes
- ◆ Career Development
- ◆ Payment of NZAS membership fees & annual conference attendance

What we are looking for

- ◆ Excellent communication skills and ability to work within and across teams
- ◆ Training experience, especially with 1:1 coaching and a track record of improving individuals clinical and business performance
- ◆ Have a passion for delivering the best client experience
- ◆ Ideally based in Auckland and ability to travel regularly across New Zealand
