

Does Your Audiology Career Feel Like Being on a Treadmill?

Do you want to find a better work/life balance?

Would you like to join a fully independent, NZ family owned team with the highest customer satisfaction ratings?

Hear Again are a New Zealand family owned, fully independent company who put customer delight at the forefront of everything we do. Being Clinician owned and operated, we make decisions based on the things that work best for our staff and customers, not the bottom line of the profit and loss statement.

Over the past 10 years, we have built a 5 star reputation of holistic hearing health care with the majority of our clients being referred to us by their very satisfied friends and family. We don't rely on huge corporate marketing budgets: we just do the job right and the good word gets passed on to other people.

We are looking for a very special individual to join our wonderful Papamoa team. We offer a rewarding position which suits your work/life balance needs, to allow you to exude all of your brilliance during your work hours.

Can you tick the following boxes?

- Audiologist MNZAS or Audiometrist MNZAS
- Able to integrate into an established team
- Excellent customer service
- Ability to problem solve

If yes: that's great! We'd love to talk to you!
