At Triton Hearing we're changing hearing, for good! We want all New Zealanders to be able to hear well and experience the difference better hearing will make to their lives. Our talented people work as a team to make this happen. They're experts in their field, always exploring new ways to improve the quality of our clients' lives - with a range of innovative hearing solutions delivering the best possible outcomes.

As part of Sonova, which has more than 18,000 committed employees in over 100 countries, all of whom contribute to something greater than themselves - they transform lives. Join our mission and become part of our team!
