

Thinking about relocating to Australia?

Passionate about clinical excellence and ethical client-centred care?

Keen to have industry leading technology at your fingertips?

Come work with us

A Sonova Brand

Neurosensory is a complete hearing health care company, with 25+ clinics in Queensland, New South Wales, Victoria and Tasmania. We offer an advanced range of diagnostic, rehabilitation services and tailored hearing solutions and we believe in enriching people's lives by improving how they interact with the world around them. We are proud to be part of [Sonova](#), the leading manufacturer of innovative hearing care solutions, present in over 100 countries across the world.

At Sonova, we envision a world where everyone can enjoy the delight of hearing. This vision inspires us and fuels our commitment to developing innovative solutions that improve hearing health and human connection. We're dedicated to providing outstanding customer experiences through our global audiological care services, ensuring that everyone has the opportunity to engage fully with the world around them.
