

Audiologist MNZAS

Private Practice | Mixed/General Scope

A rare opportunity for a MNZAS audiologist to join a New Zealand owned, private and independent audiology practice in Remuera, Auckland.

About the Role

We are looking for an experienced (2-5 years), dynamic, client-focused MNZAS audiologist to join our private practice. This role primarily supports adult clients across a full range of audiological services. You will work in a supportive team environment and help improve people's hearing health and quality of life.

Essential Requirements

- Full membership with the New Zealand Audiological Society (MNZAS) with a current Certificate of Clinical Competence (CCC)
- Current Annual Practising Certificate (APC)
- Master of Audiology (MAud) or internationally recognised equivalent qualification
- Demonstrated clinical competence across adult audiology and if available, paediatric audiology
- Proficiency with hearing aid fitting software and audiological equipment
- Strong interpersonal and communication skills with a client-centred approach

Desirable Attributes

- Experience (2-5 years) in a private practice or community audiology setting
- Experience with multiple hearing aid brands (e.g. Phonak, Oticon, GN ReSound, Starkey, Widex)
- Knowledge of or interest in tinnitus, vestibular assessment and paediatric audiology
- Knowledge of or interest in hearing conservation
- Experience with practice management or electronic health record systems

What you will bring

- Motivation to innovate, collaborate and challenge convention
- Motivation to help grow the existing private practice
- Commitment to transparency, professional integrity and client centred practice
- Flexibility to work in other areas centred around hearing

***What We Offer***

- Competitive remuneration package reflecting experience and qualifications
- Supportive and collegial team environment
- Dedicated CPD budget and time to support your professional development
- Modern, well-equipped clinical facilities
- Flexible working arrangements considered
- Clear pathway for career progression
